Company profile

Samba-Eliezer has over 45 years of experience in the lighting industry as well as in the distribution of electrical material. As exclusive distributors for a host of the top European manufacturers such as:

Aria, Ay illuminate, Boluce, bottlelight, Cluce, Exenia 'Group Lumenpulse', Fabbian, Faro Barcelona, Ferroluce, Gea Luce, Giarnieri, Ivela, Ideal Lux, Innermost, Kundalini, Lanzini, Logica, Lutec, Nobile, Nordlux, Prandina, Pablo, Siru, Tom Rossau Lavai, Lutec, Rosa, Duralite, Umage, Calex & Osram

we are confident that we can supply you with luminaires that combines energy saving technology and fabulous new designs. The lighting products ranges from: indoor, outdoor luminaires, luminaires for swimming pools, spa, road lighting, municipal lighting etc.

Moreover, our company has entrenched the brand **UNIVERSE** for over a decade in the Greek market which is synonymous of high quality and cutting-edge technological products. Universe's widespread range varies from energy saving LED bulbs to LED lighting fixtures as well as electrical & household appliances.

Last but not least we distribute electrical material. As exclusive distributors of **Kopp, Makel & Elettrocanali** we have a wide range of reliable and certified products such as: household recessed switches, waterproof surface mounted switches, group sockets, extension cords, distribution boxes, cable protection pipes for over and under-ground networks.
