INSULATING ADHESIVE
TAPE

the quality of products made in Italy

Designing and manufacturing in Italy is our strenght; the expansion of our manufacturing sites confirms that **our aim is quality** for which we are known in the international markets. Since 1970 **we have enlarged our catalogue ranges** in order to offer a complete solutions for domestic and industrial applications, meeting all safety requirements, reduce installation timings with long lasting products.

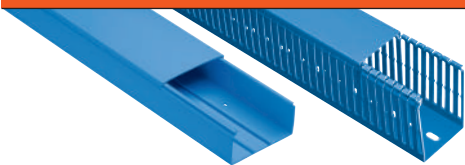

NEW

CABLE AND WIRING TRAYS

P. 7-11

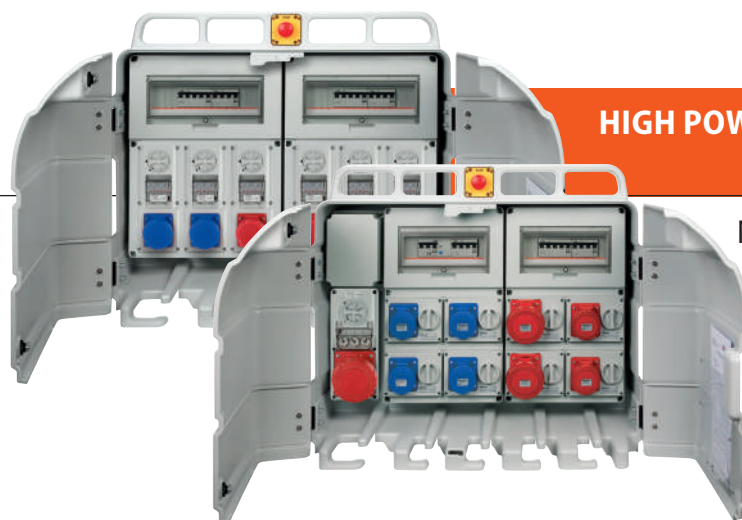

The range expands
with the new blue RAL 5012
version

P. 25-26

HIGH POWER DISTRIBUTION BOARDS FOR CONSTRUCTION SITES

New configurations up to 82 kW

HOME CONSOLIDATION CABINETS

New FTTH solutions in compliance
with International Standards

P. 32

P. 33

FLUSH MOUNTING BOARDS WITH METAL DOOR

Versions for brick or hollow walls, equipped
with terminal blocks and sealing system
